"In the beginning" - God is _____.

"God" - God is _____ and _____.

"Created" - God is _____.

"the heavens and the earth." - God is _____

Discuss What You've Learned With Someone Else

1. How would you explain a "worldview" to someone who has never heard the term? Why does everyone have one, whether they realize it or not?
2. The Leaning Tower of Pisa illustrates what happens when a foundation is unstable. What are some "foundations" people in our culture build their lives upon instead of God's Word?
3. If everything belongs to God because He created it, what areas of your life are most tempted to resist His authority?
4. Colossians 1 teaches that all things were created through Christ and for Christ. How does that truth reshape your understanding of your purpose in life?
5. What are some practical ways we can build our lives on the "rock" of God's Word this week?
6. As we begin this Genesis series, what question about life, faith, or the world are you hoping God will answer through His Word? Who do you think would benefit from this study?
